UNITED STATES OF AMERICA,

Plaintiff,

v.

Criminal No. 1:19-CR-10063-DJC

RANDALL CRATER,

Defendant.

**GOVERNMENT’S RESPONSE TO DEFENDANT’S MOTION  
TO COMPEL DISCOVERY**

---

The United States of America, by and through the undersigned attorneys, hereby responds to Defendant’s motion to compel discovery (Dckt 101).

On May 28, 2021, defendant filed a motion asking the court to compel the government to produce certain discovery. On August 20, 2021, the Court issued an order continuing the trial date from September 13, 2021 to February 28, 2022. On November 7, 2021, the undersigned sent a letter to the defendant requesting clarification on the nature of Defendant’s discovery request. On November 9, 2021, the defendant responded with a letter further detailing the discovery request. On November 23, 2021, the government produced to the defendant additional discovery along with the attached letter responding to defendant’s discovery request. The United States believes the production makes the defendant’s pending motion moot. The United States understands its continuing obligation to produce discovery and its obligations under the Courts scheduling orders.
